WELCOME TO THE FRIENDLY CLUB

On behalf of the members and Board of the Buninyong Golf Club, I would like to warmly welcome you to our friendly club. With our friendly staff, Board and volunteers, we have worked hard to build a great course and club that will delight you. I am most proud of our club and I know you will be too. I extend a very warm invitation to join us and play a round of golf with the President.

Buninyong Golf Club is a friendly country club where you will be made to feel welcome right from the start. If you are keen to learn how to play golf the opportunity exists and you can try out, for example, in the nine-hole event on a Friday. Our Club offers many opportunities for Juniors, such as joining MyGolf programs and our Junior Pennant team. And if you would like a golf mentor just ask.

Visitors are welcome at the Club at any time and the golfing visitor can join competitions (subject to availability) , play a social round or make use of the practice facilities. If you are an experienced golfer the opportunities to play competition rounds are plentiful, and should you become a member, the chance to represent the Club in numerous events and in our very successful Pennant Golf team is also available.

Sometimes it might feel as though you are the only person on the Buninyong Golf Course. Sometimes you can't see another golfer, such is the spaciousness and tree lined fairways. You can enjoy the quietness, the splendid views, the natural bushland between holes and abundant birdlife, while you play your round.

Culture and camaraderie are paramount at Buninyong golf Club and if you would like to volunteer to assist the Club that opportunity is also available.

One final word of welcome: Should you join Buninyong Golf club, the club will manage your affiliation and other fees with Golf Australia, Ballarat District Golf Inc and Golfink. Come play with us!
